

**DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING**

**Faculty Development Programme 2021-2022**

Sl. No.	Faculty Name	Title	Date/s		No. of days	Organized/venue
			From	To		
1	Dr. Reddy Sudarshana K	Overview of Teaching Techniques in Computational Fluid Dynamics	09-05-2022	13-05-2022	5 days	AICTE - VTU Training Programme
		An overview of Teaching Techniques in Innovation and Design Thinking	06-12-2021	10-12-2021	5 days	AICTE - VTU Training Programme
2	Prof. Byra reddy G R	Outcome based Education: In Perspective to National Educational Policy 2020	13-12-2021	18-12-2021	6 days	Dr. Ambedkar Institute of Technology,
		Machine learning and IOT applications in VLSI Design	10-05-2022	14-05-2022	5 days	S.E.A College of Engineering and Technology (online)
3	Prof. Prathima A	Machine learning and IOT applications in VLSI Design	10-05-2022	14-05-2022	5 days	S.E.A College of Engineering and Technology (online)
4	Prof. Ankitha A	Machine learning and IOT applications in VLSI Design	10-05-2022	14-05-2022	5 days	S.E.A College of Engineering and Technology (online)
		Machine learning	30-05-2022	28-06-2022	30 days	Pantech Learning
5	Prof. Sahana S Reddy	Data science and analytics	23-04-2022	29-04-2022	5 days	AICTE VTU one week training programme for teachers
6	Prof. Deepika	Data science and analytics	24-04-2022	29-04-2022	5 days	AICTE VTU one week training programme for teachers(online)
11	Dr Hemamalini G E&Prof Harshada J Patil	Beginner Level aptitude workshop	20-07-2022		1 day	
12	Dr.Suneeta	Universal Human Values by AICTE	22 -08 2022	26-08-2022	5 days	AICTE
13	Malathi V	FDP on Multisim and labview programming. VLSI using CADENCE Tool	26-09-2022	30-09-2022	05 Days	KSIT, ECE Dept Raghuvanahalli Kanakpura
14	Amulya S	FDP on Multisim and labview programming. VLSI using CADENCE Tool	26-09-2022	30-09-2022	05 Days	KSIT, ECE Dept Raghuvanahalli Kanakpura
15	Malathi V	Medical Image Analysis	Jul-22	Oct 2022	12 Weeks	NPTEL-AICTE
16	Dr.Harshada Patil	System Design through verilog	Jul-22	Sep 2022	8 weeks	NPTEL-AICTE
